Forest School Awards - The outreach programme for Learning Without Walls

Safety first!

We made sure the site was safe and listened carefully to what we had to do! We go through the rules – 1 whistle means stop, 2 whistles mean come back to base and the 3rd rule is to have fun & learn!

Boundary flags

Forest School Awards - The outreach programme for Learning Without Walls

We put out the boundary flags so we know the area we have to stay inside

Forest School Awards - The outreach programme for Learning Without Walls

Birds' nests

We talked about birds' nests and looked at pictures of some to see what they had in common.

Birds' nest

Forest School Awards - The outreach programme for Learning Without Walls

We used natural forest resources to build a nest for our birds!

Forest School Awards - The outreach programme for Learning Without Walls

Birds' nests

All our nests were amazing and all different! Our birds are very comfortable!

Forest School Awards - The outreach programme for Learning Without Walls

Movement

We moved like eggs, baby birds, mummy birds and worms!

Duck duck goose

Forest School Awards - The outreach programme for Learning Without Walls

We played a few rounds of "Duck duck goose" and had lots of fun!

Forest School Awards - The outreach programme for Learning Without Walls

Play time!

We finished our session with some play time!

Forest School Awards - The outreach programme for Learning Without Walls

Evaluation

The majority of children loved this session and chose the smiley face!

Leave no trace

Everyone helped to tidy up our site and leave no trace, in keeping with Forest School philosophy.
